That the City of El Paso establishes a program in which the City will accept individuals referred to the City by the Municipal Court judges pursuant to Article 45.049 of the Texas Code of Criminal Procedure to perform community service based on a determination made by the judges that the individual is indigent. Participation and agreement to accept individuals from the Municipal Court is at the sole discretion of the City. Placement of individuals into city departments is at the sole discretion of the City. The City reserves the right to reject any individual referred to the City by the Municipal Court judges.

Mayor Pro Tem Cobos thanked individuals associated with the implementation of the Community Service Program asked questions of City staff members Mr. Jim Martinez, Chief Administrative Officer, and Ms. Richarda Duffy Momsen, City Clerk.

Mr. Martinez explained that the Department of Aviation would be utilized for the "pilot program" and stated that City properties surrounding the Airport, to include 20 miles of City rights-of-way, medians and surrounding Industrial Park properties would be cleaned and maintained by the probationers. He further explained that probationers would not be entering into secured areas of the Airport and commented on the inclusion of the Community Service program into the FY05 Budget.
